PRESS RELEASE – For Immediate Release

March 16, 2017

The City of Wentzville has acquired an approximately .5 acre lot located at the northwest corner of Pearce Boulevard and Linn Avenue. The property was purchased from Commerce Bank. The property is expected to continue to be used as a public parking area. According to Mayor Nick Guccione, “The acquisition of this lot will ensure that our downtown business community will continue to thrive by providing the public with the ability to park, eat and shop in the heart of our Historic Downtown Wentzville.”

As part of the agreement, Commerce Bank will be relocating its ATM to the northern property line. The ATM will be upgraded with an enhanced look, curbing and landscaping. That work is expected to occur later this summer.

###

The City of Wentzville provides day-to-day services that are essential to the function, effectiveness and efficiency of City operations. City departments work together to improve City services, programs, and events and to serve as a resource for its citizens and the community it serves.
