PRESS RELEASE – For Immediate Release
May 16, 2018

Each year, seniors in the Wentzville School District compete for scholarships from the City of Wentzville’s Water Division. This year, three \$1,000 scholarships were awarded to students from Holt, Liberty and Timberland high schools.

As one of the only fine-arts related scholarships in the area, students paint fire hydrants in celebration of National Drinking Water Week. First-place winners from each school are then selected to each receive the scholarship. This year’s first-place winners include seniors Emily Griesenauer (Holt), Cassidee Wakefield (Timberland) and Juhaina Aarda (Liberty).

The fire hydrants will be on display below the water tower on East Pearce Boulevard until the end of May. Between June and November, the artistic hydrants will be displayed throughout Historic Downtown Wentzville. Congratulations to these talented students!

###

The City of Wentzville provides day-to-day services that are essential to the function, effectiveness and efficiency of City operations. City departments work together to improve City services, programs, and events and to serve as a resource for its citizens and the community it serves.
