PRESS RELEASE – June 26, 2017 (For Immediate Release)

A mandatory water conservation order is in effect for all water customers served by the City of Wentzville and Public Water Service District #2. This order includes no lawn watering, no laundry, no car washing or other recreational or non-essential use of water until further notice. Commercial and industrial users are requested to conserve water use as much as possible.

The City of Wentzville's water supplier is Public Water Service District #2 and they are working to repair a 36-inch water main, which serves our City with water. We apologize for the inconvenience and thank you for your cooperation. Please check our website and social media channels for further information and updates.
