Temporary Goodfellow Road Closure

[Wentzville, MO — July 18, 2019] The City of Wentzville and its contractor will be closing Goodfellow Road between Limerick Avenue and Brookfield Boulevard on July 29 for approximately five weeks.

This closure is required for the reconstruction of Goodfellow Road and the future David Hoekel Parkway intersection. The new North Outer Road will reopen to through traffic at the completion of this closure. There will be no through traffic between Foristell and Wentzville via the North Outer Road/ Goodfellow Road during this closure. Large trucks and tractor trailers traveling east from Foristell along the North Outer Road currently will need to use I-70 or Veterans Memorial Parkway to access Wentzville Parkway, as there will not be a large enough turn around location within the closure. (For a closure map, please see page two of this release.)

- Traffic west of Limerick Avenue will have to head west on the North Outer Road to Foristell to detour back to Wentzville via I-70 or Veterans Memorial Parkway.
- Traffic east of Brookfield Boulevard will have to use Goodfellow Road to North Pointe Prairie to access West Meyer Road or North Outer Road to access Wentzville Parkway and I-70 to head to Foristell.
- Local businesses and residents will have access within the closure limits, but there will be no through traffic.

###

The City of Wentzville provides day-to-day services that are essential to the function, effectiveness and efficiency of City operations. City departments work together to improve City services, programs, and events and to serve as a resource for its citizens and the community it serves.
