MEDIA ALERT – Aug. 8, 2016 (For Immediate Release)

On Tuesday, Aug. 16 at 4:30 p.m., the City of Wentzville will officially break ground on its new City Hall. The new facility will be located at 1001 Schroeder Creek Blvd., next to the Wentzville Police Department's Law Enforcement Center. (At the intersection of Wentzville Parkway and Schroeder Creek Boulevard.)

Currently, the City Hall on Pearce Boulevard is one of nine buildings that house City staff. With the completion of this new building, all City departments and administrative offices will be consolidated, leading to more efficiency. The new structure is designed to offer a more customer-service oriented environment, with adequate parking, technology-driven meeting facilities and one-stop services for residents. The building will also include security features designed for resident and employee safety. Residents will be able to address any department, sign up for service, pay bills, go to court or attend City meetings — all at one complex. Additionally, the cost of this facility comes from internal resources, with no debt.

We invite you to attend this special ground breaking ceremony and celebrate this exciting event in Wentzville's history.

###

The City of Wentzville provides day-to-day services that are essential to the function, effectiveness and efficiency of City operations. City departments work together to improve City services, programs, and events and to serve as a resource for its citizens and the community it serves. To learn more, please visit www.wentzvillemo.org.
