## ⇌ WATER AND SEWER RATES ⇌

### ⇌ GENERAL INFO ⇌

**Billing & Payments** ⇌ Services are billed monthly and due 10 days after the bill date. Water charges are a base fee plus volumetric usage. Sewer for residential customers is a base fee plus volumetric usage based on the average water used over the four months of NOV, DEC, JAN and FEB. Usage for new customers is based on the average of all residents until the next averaging cycle. Payment options for your utility account include paying online at [www.wentzvillemo.org](http://www.wentzvillemo.org), an automatic draft from your checking account, savings account or credit card, mail-in payment, drop box, or with a credit card by phone or in person. Cash, check, money order and most major credit cards are accepted. When you access your bill online, you can not only pay your bill, you can also see payment and consumption history.
