February 2017

## SCHROEDER CREEK BOULEVARD NOW OPEN!

■ Have you traveled down the new portion of Schroeder Creek Boulevard, yet? This new extension helps to alleviate traffic on Wentzville Parkway, while providing a connection from Pearce to two different points on the Parkway. The extension also includes a 10-foot wide trail and sidewalks, which are connected to the walking trails at Heartland Park. This commitment to improving infrastructure is one of the Board of Aldermen's ongoing strategic goals. A ribbon cutting was held Dec. 21 to officially open this new thoroughfare. ■

## Credit Card Changes

Beginning Feb. 1, 2017, a 2% surcharge will be added to each credit/debit card payment. For the average resident paying their utility bill with a credit card, this will equal approximately \$2 per billing cycle.

The surcharge will also apply to credit/debit payments charged by the Municipal Court and Parks and Recreation departments. ■

## Don't Forget: Yard Waste Resumes in March

**Yard-waste pickup for the City of Wentzville will resume March 1 and will continue through the last week of December 2017.**

- **Current Yard-Waste Subscribers:** Those who have not canceled their current service, and who were receiving service when it ended in December, will be automatically put on the list for 2017. The last day to cancel yard-waste service is April 28, 2017.
- **New Yard-Waste Subscribers:** To begin service, a 10-month commitment is required. Meaning, residents who begin the service on March 1, 2017, must keep the service through Dec. 29, 2017.
- **How does it work?** Our daily collection schedule allows us to pair your yard-waste pickup with your regular trash/recycling day. Everything should be placed at the curb by 6 a.m. Yard waste is \$9 per month without a yard-waste cart or \$11 per month, with a cart. If you select the \$9 plan, you can place your yard waste in brown recyclable bags or in your own trash can. If you use your own

can, it must be clearly marked "Yard Waste" on both sides. So that drivers can easily identify the yard-waste cans, it's best to use City-furnished "YARD WASTE ONLY" stickers, which are available at Wentzville's Public Works facility at 200 E. Fourth St.

- **What's included?** Yard waste includes leaves, grass clippings, or limbs and branches. Limbs and branches cannot be more than four feet long, 18 inches in diameter, or weigh more than 40 pounds — and must be bundled. Please tie bundles with a natural twine or other biodegradable binding material.
- **What's not included?** Yard waste does not include dirt, sod, rock, concrete, asphalt, lumber, tree stumps or logs more than 18 inches in diameter.
- **Questions?** Please call Public Works at (636) 639-2049, Monday-Friday from 7:30 a.m. to 4:30 p.m., or visit [www.wentzvillemo.org](http://www.wentzvillemo.org) and select "Solid Waste and Recycling" from the Residents tab. ■

## Reminders Presidents' Day

Although City offices are closed to observe the Presidents' Day holiday on Monday, Feb. 20, Progress Park Recreation Center will be open normal business hours — from 6 a.m. to 9 p.m. **Please note, this holiday does NOT affect the trash/recycling collection pickup schedule.** ■

## GM Earth Day Festival

Join us on Saturday, April 1 at Rotary Park for the annual GM Earth Day Festival. Get outside, enjoy live music, participate in hands-on activities or join in the Run for the Rivers 5K and Kids One-Mile Fun Run.
