

# The TOWN OF WEST BRIDGEWATER

## Community Choice Power Supply Program

An alternative electricity supply option for residents and businesses.

### **CURRENT AGGREGATION RATE**

**\$0.11350/kWh**

FOR ALL RATE CLASSES. SUPPLIER IS DIRECT ENERGY.

Residents will recognize a savings of approximately 67% over National Grid's Basic Service rate (November 2022 thru April 2023). This rate is fixed through November 2024 taking the volatility out of your electricity rates.

FUTURE SAVINGS CANNOT BE GUARANTEED.
