2) Local Project Updates from Local Representatives:

- Chad Townsend, City of Dalton, reported that the City has started street assessments for LMIG. Dalton Utilities -no update, Brian Brackett Whitfield County Public Works stated that the brine station has been completed. Kent Benson and Bob Sivick both gave kudos to Brian and his crew – they were able to pave 31 miles with the in house crew saving Whitfield tax payers a significant amount of money.

3) Thrive Update:

- Shannon Millsaps reported that Thrive was awarded a grant from the Appalachian Regional Commission of which 5 million dollars will go towards Whitfield County, Thrive is grateful for the support from the local municipalities, they look to expand resilient communities, they have 10 new projects in new local communities for connectivity planning and digital equity planning. January 1, they look to start hiring some new employees.

4) Greater Dalton MPO Status Report:

- Staff has continued to compile information for Gresham Smith for the 2050 MTP update. The social pinpoint for the MTP went live December 1st and will run through December 31st, it is currently on the websites and social media for Whitfield County, City of Dalton and Murray County. Some meeting dates have been changed in 2025 to meet the strict schedule we are under for the 2050 MTP adoption we will be meeting on the second Tuesdays of April, May and June. Safety Performance Measures (PM1) is ready for PC and TCC review and approval and the TIP was updated to reflect the GDOT required amendments.

III. New Business

1) Action Item: TCC Final Approval for TIP amendment.

TCC Motion to approve was made by Jackson Shepard
Second: Brian Brackett
Vote: passes 4-0

2) Action Item: PC Final Approval for TIP amendment.

PC Motion to approve was made by Ken Gowin.
Second: Bob Sivick
Vote: passes 5-0

3) Action Item: TCC and PC Approval for Safety Performance Measures 1 (PM1).

TCC Motion to approve was made by Jackson Shepard
Second: Brian Brackett
Vote passes 4-0
PC Motion to approve was made by Bob Sivick
Second: Ken Gowin
Vote passes 5-0

IV. Open Discussion

- Dr. Karey Williams, Deputy Superintendent for Whitfield County Schools is concerned about the traffic conditions and flow around Northwest Highschool. More specifically on 201, 18 wheelers and heavy trucks have to lock their breaks to avoid the drop off and pick up line in the mornings and evenings, there have been quite a few near misses and it is very dangerous. There is a blind curve that makes things more difficult. She would like for a traffic study or something along that line to be completed to see what can be done about the problems. Ken Gowin says that the MPO is aware of the issue, several remedies have been tried already, the road is too narrow. Kent Benson states no studies have been completed but recommended that the school system use the social pinpoint for the 2050 MTP to voice their concerns so the issue may be added to the MTP. Kent also recommended reaching out to GDOT District 6 traffic operations, he will work on getting that coordinated. Dr. Williams also states that the flashing school traffic ahead light is inoperable as well so that could be adding to the problem. Jomar Pastorelle mentioned that Whitfield was recently awarded a grant to participate in the Safe Streets for All program – the grant could help with these issues as well.

V. Public Comment

- Kent Benson reminded everyone that the next meeting is scheduled for January 28th 2025.

VI. Adjournment

Kent Benson adjourned the meeting at 10:32 A.M.

Minutes submitted by: James Davis
