- c. Once a coach comes in to pitch the same coach will have to remain pitching for the completion of the inning.

- d. Coach will perform modified fast pitch and not exceed height of shoulders. First violation is a warning and second and further infractions will result in loss of pitch.

SECTION 4: DEFENSIVE POSITIONING

- A. The pitcher shall not deliver a pitch unless all defensive players are positioned in fair territory except the catcher who must be in the catcher's box or arc.

NOTE: No player will be permitted to play a defensive position other than the catcher within thirty (30) feet of the batter.

SECTION 1: BATTING ORDER

- A. The batting order shall show the names, first and last, in the order in which the players are scheduled to bat.

NOTE: Each team will bat the entire roster during the course of the game using the normal batting routine.

RULE 7 BATTING:

SECTION 2: A STRIKE IS CALLED BY THE UMPIRE

The 6U Division will have three (3) pitches from the coach to put the ball into play; after three (3) pitches the batter will use a Tee that is placed on the home plate until the ball is hit into the field. A ten (10) foot arc measured from the back of the plate will be used to determine a fair ball into the field. The coach has the option for use the Tee without using the three (3) pitches first. NOTE: There is no out for the batter at the plate in this division.

The 8U Division will have five (5) pitches or three (3) strikes, whichever comes first, to put the ball into play. The batter will be declared out if the ball is not put into play after the fifth pitch, unless the fifth pitch is a foul ball. In this case the batter will have another opportunity to put the ball into play. NOTE: No batter will be called out for a foul ball. A batter may be called out if a hit ball is legally caught in foul or fair territory. Also a batter may be called out if the batted ball goes sharply and directly from the bat to the catcher's hand or glove and is legally caught (foul tip).

RULE 8 BATTER-RUNNER AND RUNNER:

SECTION 1: THE BATTER BECOMES A BATTER-RUNNER

- A. **For all fast pitch divisions**, the batter becomes a batter-runner when the catcher fails to catch the third strike before the ball touches the ground and there are:

NOTE: Dropped third strike rule only applies for the 11-13 (13U) division.

1. Fewer than two (2) outs and first base is not occupied at the time of the pitch or

2. Any time there are two (2) outs

NOTE: When the batter-runner fails to advance to first base and enters the team area (dug-out) the batter-runner will be declared out.

SECTION 2: BATTER-RUNNER IS OUT

B. Infield fly rule is not in effect for any level of play.

SECTION 3: RUNNERS ARE ENTITLED TO ADVANCE WITH LIABILITY

Slow Pitch Divisions are not permitted to steal any base.

- *10U Division (Fast Pitch) – Once a coach has been called to pitch because of the consecutive walks by the player-pitcher, no runners on base are allowed to steal.*

10U and 13U Divisions are permitted to steal every base and can leave the base when the ball has been released from the pitchers hand.

SECTION 4: RUNNERS ARE ENTITLED TO ADVANCE WITHOUT LIABILITY

C. Overthrow rule:

For 6U: a ball thrown to a live base will result in a stoppage of play if the THROWN ball gets through, around, or over the player who is receiving the throw. As a result, the base runners will not be able to advance beyond the base they occupy at the time of the overthrow. The ball must be thrown to a live base. Play will not stop until, in the opinion of the umpire, the defense has made an actual attempt to put out a runner, lead or otherwise, meaning the defense will not be awarded “time” if the ball is thrown to third and there is no runner on second or third. Throws to a pitcher inside the pitching circle will no longer constitute stoppage of play.

Note: All baserunners advancing on overthrows do so at their own risk.

For 8U: THIS RULE ONLY APPLIES TO BALLS THROWN TO FIRST BASE. If a ball is overthrown attempting to put out a batter running to first, that runner may only advance to second base. The defensive team can put out the existing runners attempting to take extra bases if the ball remains live. Example 1: The bases are empty. The batter hits the ball to the shortstop, who overthrows first base. This runner may only advance to second base. Example 2: There is a runner on first. The batter hits the ball to the shortstop, who overthrows first base. The existing runner, who began on first, may advance the bases at their own risk, until the play is ruled dead. The batter may only advance to second base.

Note: All baserunners advancing on overthrows do so at their own risk.

D. Stopping the runner:

For 6U, time will be called when a defensive player has possession of the ball in the base path. If a runner is more than halfway to the next base when time is called, the runner will be awarded the next base.

- Hash marks will be placed in the middle of the bases between 1st and 2nd base, 2nd and 3rd base, and 3rd base and home plate to help determine if the players were more than halfway to the next base.

For 8U: The ball will be declared dead when the defensive team stops the lead runner or the runner abandons the effort to advance. Once play had been stopped, no other runners may advance beyond the last base tagged.

SECTION 5: COURTESY RUNNERS (FAST PITCH/MODIFIED)

WCPR Rule: Each team will be allowed one (1) courtesy runner per inning, plus an additional courtesy runner for the catcher. Any player can be used, but if the courtesy runner is still on base when her turn at bat comes up, and out will be recorded at the plate, teams may use courtesy runners for catchers at any point in the game. If a courtesy runner is used, then the catcher must be ready to be behind the plate when then half inning changes.

RULE 9 PROTESTS:

SECTION 1: PROTESTS

All protests will be handled by the Umpire-In-Chief; otherwise the WCPR League Supervisor will receive the protest. Judgment calls cannot be protested and post-game protests will not be considered.

- A. Misinterpretation of a playing rule must be made to the head umpire:
 - 1. Before the next pitch legal or illegal
 - 2. Before the next play
 - 3. Before all infielders have left fair territory
 - 4. On the last play of the game, before the umpire leaves live ball territory
- B. Illegal player protests must be made to the head umpire while the player in question is in the game and before the umpires leave the playing field.
- C. Ineligible player protests can be made any time. Eligibility is the decision of WCPR staff. If a player is deemed ineligible, any games that the player played in will be considered a forfeit. If it is determined, during the tournament, that the player in question is ineligible, then the team(s) the player played for will be forfeited out of any remaining games.

ADDITIONAL RULES:

- A. Coaches on the Field: With the exception of 6U, no coaches are allowed to be in or coach from the field of play. All coaches must remain within or outside the dugout, with the exception of coach pitcher and offensive first and third base coaches.
- B. Number of Coaches: No more than 4 coaches can participate to coach during a game.
- C. Mercy Rule: Up by 15 runs or mathematically eliminated. If the game ends in a mercy rule and time is still left on the clock, teams may continue playing as a scrimmage, but they cannot play past their allotted time.
