Disclaimer: Unfortunately, none of us can control the weather or any other acts of nature. Also, it is a fact that almost all of the costs of running a kids triathlon are incurred well before the race ever happens. As a result, we are not able to offer refunds of registration fees in the unlikely event the race is cancelled unless your registration can be filled from our waiting list. Every effort will be made to reschedule the race, but this may not be possible due to all the calendars that must be coordinated. While we never want to cancel an event, safety is our top priority. We want to make sure you are fully aware of our cancellation policy. We appreciate your support and understanding.
