DEDICATION

This 2009 Winterport Town Report is dedicated to “a man of his word - a more honorable man you cannot find.”

This is how Sam Butler is described by his long-time friend and colleague, retired Fire Chief Stan Bowden.

Often also described as a “volunteer’s volunteer,” Sam has contributed countless hours to the needs of the Town of Winterport and to its citizens. His volunteer service goes back more than two decades and ranges from driving the ambulance to picking up food in either Bangor or Augusta for the Neighbors Cupboard.

For nearly 20 years, Sam has provided leadership to town government, beginning with the Board of Selectmen and following a change in the town’s Charter, he continues on the Town Council - currently as its Chair.

When an ambulance call rings in from Waldo County Dispatch Center, Sam is nearly always the first to respond to the station. He has been a volunteer driver for the Winterport Volunteer Ambulance Service for more than 15 years and a member of the Winterport Volunteer Fire Department equally long.

A native of Winterport, Sam will always recall his most memorable ambulance run. In March of 1997, he was part of a three-man team who helped deliver the first baby in the town’s ambulance. “We used a lot of towels that day,” Sam told the Bangor Daily News reporter. He was a second-year ambulance driver at the time, in charge of supplies.

Today, Sam’s turnout gear still includes stork pins, symbols given to ambulance attendants who are part of a delivery.

Sam owns and operates S.G. Butler Memorials at his Staples Road home and is a long-term member of the Winterport chapter of Odd Fellows.

Sam is married to Donna (Ward) Butler. They raised three daughters and two sons at their home on the Staples Road.

BOSTON POST CANE

On April 28, 2008 at the home of Eleanor Rhodes 1058 N. Main Street, a milestone celebration was held as the Boston Post Cane was presented to Edwina H. Fletcher, Eleanor's mother. On hand for the presentation were, daughter Linda Montgomery, Phillip G. Pitula the current town manager, Susan Rioux town councilor, Lledrew Hackett former selectman and nephew of the recipient, granddaughter Kathy Urquehart, grandson Toby Montgomery, daughter-in-law Arthelene Hammond, friends Lynn Anderson, Clydella Anderson, and Linda Hoff, Bangor Daily News reporter Walter Griffin, Republican Journal reporter Megan Richardson, and State Representative Michael Thibodeau.

Mrs. Fletcher was born on October 27, 1910 at her families Washington Street residence in Winterport, one year after the Boston Post Cane's were first distributed. Edwina was married for 55 years to the late Henry Fletcher, a retired Chief Engineer from the Merchant Marine, and together they raised four children in Winterport.

DIAL 911 FOR ALL EMERGENCIES

TOWN MANAGERS AND COUNCIL REPORT

Another year under our belts and another long “old fashion” Maine winter finally has given way to spring. I find it hard to believe that I have now been in my position as town manager for four years, time flies when you are having fun.

I hope that everyone came through the winter in good shape and in good spirits. Thankfully the price of gas and heating oil came down to a more reasonable level this past winter, which gave some relief to all of us, especially when considering the state of the rest of the economy. I want to thank all the residents of Winterport, the Town Council, and the students at the Wagner School for their support of our own “Winterport Fuel Fund”, it is a true reflection of how great our community is and why we choose to live here.

Winterport, like other areas of the State, faces tough times ahead due to falling revenue streams and lower support from both the State and Federal Government. In November you might have the opportunity to vote on lowering the amount of excise tax that is paid percentage wise on new vehicles. Like you, I want to pay fewer taxes and find this particular tax very regressive, yet it is the major source of revenue for the upkeep and maintenance of our town roads, reduce this tax and we will have one of two choices; raise property taxes to continue the level of services, or spend less on our roads and watch them fall apart, neither which I find appealing.

The 4th Annual Winterport Music Festival will take place on Saturday August 1st at the Abbott Park Recreational Facility. An average of 900 people attended the first three events and we received numerous compliments on the wonderful music, and the great food that was available to the festival attendees. This year I am very excited that “The James Montgomery Blues Band” along with “The Waybacks” have committed to being co-headliners this year. In addition to these two great acts we also will be featuring “The Kayla Wass Band”, “Gilpin Railroad Incident”, “Martin Earley & Friends”, “Steve Cohen”, and “Anna Mae Mitchell & the Rising Tide”. Thanks to the support of friends, businesses, and the residents of Winterport, we have been able to continue our sponsorship of a scholarship for a graduating senior from Winterport who is going on to study music or the performing arts in college.

Next year we will be celebrating Winterport’s 150th birthday and we are looking for residents who would like to serve on a committee to plan the festivities. Please give me a call at the town office and volunteer to be part of the committee to help plan a memorable event marking this wonderful milestone in our town’s history.

In closing, the Town Council and I look forward to seeing all of you at Town Meeting on Thursday evening June 11th at the Wagner School cafeteria. We promise you that we will do our best, working with you, and for you, as Town Manager and Town Council, to keep Winterport the place we love to call home. Please remember that when you are at the town office make sure you say hello.

Respectfully Submitted,
Phillip G. Pitula

WINTERPORT FIRE & RESCUE ASSOCIATION

To the Citizens of Winterport

This year the fire service funded and accomplished the setup of the 2008 rescue truck which was purchased last year by the ambulance service. The truck was driven to Winterport from Marietta, Georgia on Super Bowl Sunday 2008. It was placed in service late this passed spring. This replaces our aging rescue truck which is a conversion of one of our old ambulances. The old vehicle had served the purpose well but truly needed replacement. We found just what we were looking for at a good price. We had hoped to find used vehicle which still had a lot of good life left in it but decided to go with the new vehicle when the used ones we found which met our needs were over half the cost of new. This vehicle has been donated to the town. This vehicle is much safer and efficient for use during emergencies and will reduce the tax dollars needed to maintain the 1982 vehicle it replaced.

The Winterport Fire and Rescue Association is a group of volunteers who are dedicated to lending a helping hand to the citizens of Winterport and surrounding towns. The association operates the Ambulance Service and performs a number of volunteer tasks which prepare us to assist you. The members donate many hours receiving training to be prepared to render aid on the ambulance when you are sick or injured and to be prepared with equipment, such as the Jaws of Life, to assist the ambulance service at accident scenes. The ambulance attendants and drivers donate untold hours responding to calls. On the fire side of the slate the volunteers attend training four times a month. This training is everything from how to operate the different pieces of equipment we have, safety, traffic control and fire suppression. This year completion of federally mandated communications training has been in the fore front as without this training the town would not have been eligible to submit any grant applications this coming year.

The association also takes on a number of volunteer activities, including: Placing the Christmas decorations and the banners which take there place during the rest of the year; Providing traffic control for various function such as the annual Christmas Pageant and Parades;

Respectfully submitted,

Thomas A. Doe, President; William Rogers, Vice-President; Thomas Skratt, Secretary/ Treasurer

Reports from the Winterport Fire & Rescue and the Volunteer Ambulance will be available at the Town Meeting.

INDEPENDENT AUDITOR'S REPORT

March 26, 2009

Members of the Board of Selectmen
Town of Winterport
Winterport, ME 04496

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Winterport, Maine as of and for the fiscal year ended June 30, 2008, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Winterport, Maine's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Winterport, Maine as of June 30, 2008, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information on pages 2-5 and 24, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Winterport, Maine basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, and other supplementary information are presented for purposes of additional analysis and are not a required part of the basic financial statement. The combining and individual nonmajor fund financial statements and other supplementary information have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

Respectfully Submitted,
James W. Wadman, CPA

TAX-ACQUIRED PROPERTY TO BE ADVERTISED FOR SALE AT A LATER ADVERTISED DATE

The Town of Winterport has parcels of property that have been acquired through the tax lien process which it may sell by sealed bid. The Town plans to receive bids on these properties at a date specified later. The Town Council as authorized by Town Meeting will advertise for sealed bids all listed real estate not repurchased by the former owner, and after this date the former owner may only acquire the real estate through this sealed bid process. Properties repurchased by the former owner will not be advertised for sale.

An advertisement will be placed for bids at a later date and should be mailed or delivered to:

**Town of Winterport
P.O. Box 559
20 School Street
Winterport, ME 04496**

Minimum bids on each of the following properties are listed below. All bids should be in a sealed envelope marked with the Map and Lot number of the parcel to which the bid applies, name of bidder, phone number of bidder and the envelope should be clearly marked "BID" in large letters. Payments must be made by certified check or money order. The successful bidder will be issued a Quit Claim Deed by the Town of Winterport. Each bid must be accompanied by a **deposit of 10%** of the bid price in a certified check or postal money order. The successful bidder shall complete the purchase within (30) days of the bid award. If a successful bidder fails to complete purchase, that bidder's deposit shall be forfeited to the Town. All deposits will be returned to unsuccessful bidders. The Town Council reserves the right to accept or reject any and all bids.

THE NEIGHBOR'S CUPBOARD

March 2009

The Neighbor's Cupboard is the emergency food resource for low income families, the working poor, and other families in distress in Winterport and Frankfort. This is our twenty-first year. We are a private, non-profit organization located at the Calvary Apostolic Church on Route 1A. We welcome those in need or those who wish to donate or volunteer to visit the Cupboard or reach Donna Allen by phone. The Neighbor's Cupboard is open every Wednesday from 9:00 to 10:00 A.M.

In 2008, 149 different families used the Cupboard for a total of 875 visits. Over 2017 bags of food were distributed. Emergency food packs stored at the Winterport Town Hall were given out by Town Office staff to those in need after Cupboard hours.

We are supported by food drives and fundraisers throughout the year: Smith School, Wagner School, Frankfort Cub Scouts, Winterport and Frankfort Letter Carriers Food Drives all combine to provide two months of food. Special thanks to the community members who continue to coordinate and staff these food drives. We are especially thankful for the tons of food we obtain from the Good Shepherd Food Bank and the Weston Bakery. We are the designated distributor of USDA "surplus foods".

The Neighbor's Cupboard coordinated the efforts of the Calvary Apostolic Church, Frankfort Congregational Church: United Church of Christ, St. Gabriel's, and United Methodist Church and some private individuals to give out 58 holiday food baskets at Thanksgiving and 20 at Christmas. An anonymous Easter Bunny donated Easter dinners.

Our Baby Layette program helped five new moms and their babies this year by providing new and used outfits, sheets, towels, blankets, hand made items, and baby care books.

Our heartfelt thanks go to the wonderful organizations, businesses and town folk who through their volunteer hours and donations of food and money support the Neighbor's Cupboard. Special thanks go to the energetic Cupboard volunteers: Phyllis Allen, Chris Bates, Sonja Butler, Diane and Raymond Cornelison, Stephanie Dunton, Kristen Hallett, Leo Lachance, Sabrina and Sam Morris, Coleen Rancourt, Keith Ritchie, George White, Betty Williams, Deb Williams, and very special helpers: Sam Butler and Stanley Bowden.

Respectfully Submitted,
Donna Allen, President

Code Enforcement

There were 12 new housing starts in 2008. Many calls were received inquiring about building permits, acreage required, setbacks and shoreland zoning.

The town is updating the Shoreland Zoning Ordinance and Shoreland Zoning Map. This process will be completed by July 1, 2009.

We are working at bringing Autograveyards/Junkyards into compliance.

Respectfully submitted,

Road Maintenance Report 2008

Last summer we performed some badly needed ditching and culvert replacement in some in town areas with more work needed this summer. All around the town we have drainage issues that need to be repaired. A lot of culverts need replacing or re-setting.

This summer we will be busy patching, grading shoulders and cutting brush and paving and rebuilding roads, changing culverts and trying to keep ahead of Mother Nature.

Have a great summer.

REPORT OF THE WINTERPORT CEMETERY DISTRICT

The District Board meets on the third Wednesday of each month throughout the year. Time has been spent adopting a unified policy of regulations for operation of the cemeteries, developing an updated inventory of the cemetery lots and repairing damage caused by time and vandalism.

For those who may not know, there are seven public cemeteries in Winterport:

1. Oak Hill Cemetery on Lebanon Road
2. Bald Hill Cove Cemetery on the Rt. 1A and Old County Road
3. Grant/Littlefield Cemetery on Goshen Road
4. Clements Cemetery on the Monroe Road
5. Ellingwoods Corner Cemetery at Rt. 69/Ellingwoods Corner
6. Twining Cemetery on Twining Road
7. Cole Cemetery on Meadow Road

In addition to providing a final resting place, these cemeteries are also one of the best sources of the history of the people of Winterport, commemorating citizens and soldiers from as far back as the Revolutionary War. Unfortunately, time and neglect have put us in danger of losing permanently some of this history, especially in the smaller cemeteries. The Cemetery District is committed to preserving this part of our heritage.

Grave lots in the Cemeteries are available for \$225.00 per grave (\$75.00 per grave, \$150.00 for perpetual care). Although the traditional sales of graves in lots of six are still available, they are also available individually or in groups of less than six. Those interested may contact any of the trustees listed below or write the Winterport Cemetery District at POB 413, Winterport, Maine 04496.

Animal Control Report 2008

Reports of stray animals were down again this year. It seems like spring is the time of year when the bulk of the complaints of wandering animals come in. If your pet becomes lost please be prompt in reporting them missing.

Thank You,

Town of Winterport Recreation Departments Annual Report

Last year's Recreation Department's Annual Report had a survey that was attached to it. This survey asked the citizens in general if they were happy with what our department offered for programs, also asking if there was anything that the people would like to see added. With the few responses that we did have everyone either did not respond to these questions or answered in a positive response indicating they liked what we offered our youth. One question we did ask that had mixed responses was what to do with our run down tennis courts. A couple indicated that they would like the courts repaired so that they could be used again. There were also people that would like the courts torn down with either the area grassed in or to have a pavilion/gazebo type of structure erected. One thing that has come up within the board in the last couple of years was to have a pavilion with picnic tables and a few stationary bar-b-ques. Please if you have questions or desires in what to do with this area contact Dave Lester at dlester424@myfairpoint.net or call him at 223-4104. This eye sore with our Recreation Park needs to be addressed. Our Recreation Department's future plans are to continue in making improvements with our park. One item on the agenda that needs to be addressed before Fall Soccer is the condition of the Soccer fields. The past two years the kids have had to play in standing water and mud the majority of the season. This condition will not go away unless we address the drainage problem. At this point it is an embarrassment to offer a program with so many kids playing and forcing them to play in these conditions. The danger alone warrants our concerns.

This past July the recreation department had its first summer basketball camp. We had 28 of our towns youth attend it and many more that wish they had the chance if they had known. So this coming summer we will again offer this camp and also camps in soccer. The way that our economy is now we feel this is a way our towns youth can have activities to do during the summer without having to spend too much to attend. Our programs have had great numbers as always in Youth Soccer, Youth Basketball and I am sure our Youth Baseball program will too. We also had good numbers at our annual Winter Sled Night, thanks again is deserved to our volunteers and our Boy Scouts Troop 234. We will be having our first Easter Egg Hunt this spring.

Lastly I would like to mention a couple things and that is how much the Boy Scouts have helped our community. They have built great trails in and around town and out to Blueberry Hill. They have also replaced the old wood on our towns' benches and did ground work around the town library that looks beautiful. All of these projects have helped many of our town boys in gaining their Eagle Scout badge or working on them. If you did not notice the new manger during the Nativity Pageant, they also built this and get the boughs every year.

At present we have 3 openings on our towns Recreation Board, please contact Dave Lester or our towns manager Phil Pitula if you have interest.

WINTERPORT MEMORIAL LIBRARY

I would like to introduce myself. My name is Mary Lester and I started working as the librarian in September of 2008. I am a lifelong resident of Winterport and I am very pleased to be able to work for such a historical and important part of this town.

First I would like to thank all of the residents of Winterport for their continued support of the library through your tax dollars. As with most other organizations, the library has had financial concerns and it is truly wonderful that this town cares for the library and the services that it offers our citizens. If you would like to make donations to the library of either new books or money, it would be greatly appreciated. Also, a memorial gift to the library to remember someone who has passed away is a positive way to remember someone special. The shelf life of a book often spans years while flowers perish quickly. If you are interested in this, please give the library a call or you may just send checks to our address below.

Services that are offered at the library are:

- Computers with internet access with printer
- Copier available for minimal fee per page
- Fiction and Non-fiction books for adults, teens and children
- Variety of magazines
- DVD's, VHS's and audio books
- Interlibrary Loan Program
- Book drop for your convenience
- Renew books by phone
- WiFi Hot Spot

A summer reading program will again be offered this year. The theme is "Be Creative @ Your Library". If you are interested in participating please call the library to sign up. The specific dates and times will be posted on the Town Website for your information when they are scheduled. A flyer will also be sent home with the children at Smith School.

The appearance of the exterior of the library was greatly improved as an Eagle Project by Jon Lester from Troop 234 of Winterport this past summer. The gardens were weeded, mulched and had an overhaul. The cement structures in the back of the library we repainted. The book drop was painted and the benches were upgraded. Thank you, Jon and Troop 234.

I look forward to seeing familiar as well as new faces at the library in the upcoming year. It is very easy to get a library card if you don't already have one just stop in.

Our hours during the school year are: Tuesday 12pm - 5pm, Thursday 2pm - 7pm, and Saturday 9am - 2 pm. During the summer we are open Wednesday 12pm - 5 pm and closed on Saturdays.

Thank you,
Mary Lester

Winterport Woman's Club/GFWC

The Winterport Woman's Club/GFWC has had another successful year of providing projects and services to our community. Our dedication and determination to serve our community, focusing on the needs, has been challenging but as the saying goes, "Someone has to do something to make good things happen." The WWC has and will continue to strive to make good things happen for our community.

One of our longest on going fundraisers came back this year, the Community Calendar. We want to thank everyone that has supported its return. We realize that the change in the way we do the our sales, by no longer going door to door, will take time for the community to adjust. But, feel this is the best way to be able to continue providing our community the calendar. We now make it available for you to add your listings free of charge, via email and at local businesses and then purchase your calendar at a local event or business in the months of November and December. We know it will take time for this process to catch on, but we are hoping everyone will support our efforts and the calendar will continue. For questions contact President Kathy or calendar chairman, Mary Lester.

The community projects that we have provided this year have been the Christmas lighting, the plantings in the village area; our sponsorship of our local Girl Scouts; providing subscriptions of Kind News, at the Smith and Frankfort elementary schools, the \$1,000.00 scholarship for a Winterport senior girl graduating from Hampden Academy, and sponsoring Hampden Academy Art students in the MFWC High School Art Contest. Other community service projects we completed this past year included working with the Volunteer Fire Department in co-sponsoring a Spaghetti Sauce Contest/Supper Fundraiser, where all proceeds went to the Towns' Fuel Assistance Fund. Holding a community forum informing the residents of Winterport about the local organizations and services available in town. Money was raised to purchase five (5) eight foot tables for the Victoria Grant Building. Monetary and in kind donations were given to our local food cupboard, schools and the residents of Harbor Family Services.

As with most volunteer service organizations the WWC is seeking individuals that are interested in membership. We invite any woman who is interested in volunteer community service to join this diverse group of women. If you would like additional information about the Winterport Woman's Club please contact Kathy White, President, at 223-5746 or email dawklw@aol.com and check us out on the towns' website.

With Ties in Volunteer Community Service,
Katherine (Kathy) White, President

Winterport Planning Board 2008-2009 Annual Report

This year the Planning Board welcomed John Kirk as a new member, and Richard Babine as our new Code Enforcement Officer. We also welcomed Sueellen Jagels as our new secretary. The Board had a very slow year in 2008-2009, with no permit applications received since the last annual report. The Board continues to hold workshops aimed at revising our ordinances, and has been working to comply with the mandatory Shoreland Zoning changes required by the State of Maine. The public is always welcome to attend meetings and workshops. The Board would like to thank our outgoing Code Officer, Dick Watson, for his excellent efforts during the prior year.

Annual Newsletter 2009

Dear Citizens of the Town of Winterport,

We had another busy year starting with maintenance in the interior of the Meeting House to include repairing a bowing interior wall, replacing broken window panes and constructing screens for windows that we were finally able to get opened. Now there is cross ventilation which greatly helps keep the temperature in the building down on hot and humid afternoons and evenings.

Our first big event for 2008 was on May 25th and attracted over 100 people. The building was closed for nearly two years for the major restoration efforts in 2007. We celebrated the Reopening and the 175th Anniversary of the construction of the Meeting House in 1833. Ceremonies began with a brief history of what has been done over the years to preserve the building. Past Presidents and members of the Board of Directors, Don and Teddy Weston, Dave Verrill and May Pardy were given Certificates of Appreciation acknowledging their combined 21 years of service to the Meeting House. Karl Ward, President of Nickerson & O'Day, the firm that completed the restoration work, gave a brief presentation. The celebration included performances by Anna Mae Mitchell and Rising Tide, plus Mark Aubertine, accompanied by Phil Pitula & Richard Silver. Intermission refreshments were provided by the Winterport Woman's Club.

As the summer progressed more maintenance was performed in and outside of the building. Walls and floors were painted, exterior shutters were repaired and painted, the chimney was repaired and the exterior was scraped and painted. Many thanks to Dean El-Hajj for his excellent work.

To raise funds two concerts featuring local artists were held in June and July, again with refreshments provided by the Winterport Woman's Club. In July we also participated in the Mile Long Yard Sale selling used books. In August we sold cookies, brownies and ice tea at the Third Annual Winterport Music Festival.

October 11th saw our first wedding in five years. It was a beautiful day and the building looked splendid after having been freshly painted. Hopefully we will have many more weddings in the upcoming years.

Having the four-faced steeple clock repaired was the last of our 2008 maintenance efforts. Peter Rioux completed the much needed cleaning and repairs in October so our clock is now chiming the correct time again.

Maintaining the building is an ongoing effort that the Board of Directors is addressing as resources allow. Your support to ensure the Winterport Union Meeting House continues to serve the community is most appreciated.

April 6, 2009

Our meetings are held the second Monday of each month, October through May. You do not have to be a member, you are welcome to attend and bring a guest. During the months of July and August the museum is open from 2:00 - 4:00 PM on Tuesday. If you would like access to our collections at any time, please contact our archivist, Theodora Weston 223-5556.

The purpose of our organization is to research and preserve information relating to the history of this community. In the past year a review of the activities of the Congregational Women's Circle has been presented and recorded. This group of ladies, organized in 1835, worked to support the Congregational Church and provide a lending library for nearly a century. The three Abbott doctors who served this community for many years were the subject of research and the account of their lives has been recorded for our files. Another subject of interest is the history of the local library which was founded in 1895. This information will be one of the presentations at a meeting in the coming year.

We enjoyed some very interesting and informative programs this year. Jeff Verrill presented a program about the Winterport Union Meeting House clock. Beth Thieme brought us up to date on the history of the Live Nativity Pageant founded in 1967. In February Jon Johansen selected drawings from a growth of industrial arts book published by the Department of Interior in 1892. The 1800s style farm equipment was of great interest. Mike Thibodeau recently brought us up to date on the Maine Legislature.

If you would like to become a member please contact our Membership Chairperson, Susan Rizza 223-3996 or Abbie Stover 223-4035. Membership dues are \$5 per individual. We have 64 members. We encourage donations of material of historical value relating to Winterport for our collections; diaries, journals, photographs, letters, etc. Please contact our archivist.

Respectfully submitted: Abbie Stover-Pres., Charles Rizza-Vice Pres., Jon Johansen-Secretary, Jean DaSilva-Treas., Theodora Weston-Archivist. Directors: John Harrington, Jr., Judy Cuddy and Manuel DaSilva.

WINTERPORT FIRE DEPARTMENT

To the Citizens of Winterport

Emergency responses in 2008 held on the averages we have been experiencing for some years now. As the cost of home heating oil sky rocketed in the early fall, we again expected the number of chimney fires to escalate. Thankfully that did not happen.

This year we found a used 1983 Mack Pumper in Connecticut. Four members traveled to Connecticut to inspect, drive and pump with this truck. We found the truck to be in very good condition. We proposed and the town council approved purchase of the truck from the equipment reserve account. This replaces the 1978 Pumper which has had pump issues for years.

Our 2008 application for an Assistance to Firefighters Grant was denied again this year. As you read this we will have applied again in 2009. These funds are being reduced by the federal government every year. The chassis (with pump) of our 1978 FMC fire engine will be used to replace the chassis, a former CMP truck, which presently has the tank which was originally build on an old army vehicle. Even though the 1978 FMC fire engine pump has been down graded from 1000 to 750 gallons per minute, it will be greatly better than the 250 gallon per minute pump on the present tanker. With the weakening dollar, the number of companies making fire apparatus is shrinking and the costs continue to rise rapidly. We continue to be hopeful that the "GRANT GODS" will shine favorably upon us.

There are still a very large number of homes which do not have street numbers posted. It is EXTREMELY important that you have your street number posted to make your address easy to locate. Since about half the time it is dark, these numbers should be *reflective*. It is particularly important that these numbers are displayed so as to be easily viewed as responders approach from either direction. "First red house on the right" does not work well as a description at night.

Fire permits are required for ALL open burning. Permits are available from Fire Warden, Thomas Doe, and Asst. Fire Warden Sam Butler or at the town office (9 to 5, Monday thru Friday). These permits are issued at no cost. For a fee of \$7.00 permits may be obtained any hour of the day or night on line at <http://www.maineburnpermit.com/> subject to the conditions imposed due to the environmental conditions.

The firefighters continue with mandatory training to be fully prepared to address whatever emergency we may be confronted with. This training is both internal and working with our mutual aid departments.

We have added two additional firefighters this year. Anyone interested in joining our ranks should contact the Fire Chief, Thomas Doe at 223-4412, or come to our monthly meeting which is generally the first Sunday of each month at 7:00 pm, at the fire station.

Respectfully submitted,

Thomas A. Doe, Fire Chief

Waldo County Sheriff Office
Annual Report 2008

To the Citizens of Waldo County,

As usual, accompanying this report you will find statistics for your individual towns regarding the law enforcement activity performed by the Waldo County Sheriff's Deputies. The list is not exhaustive but does give you some idea of what type of activity is taking place in your community. I am also including the 2008 Maine Sheriff's Association Magazine for your town offices to leave out for anyone to view should they wish.

The patrol division exhibited incredible resiliency this past year with the loss of one of our cornerstones in the division Sgt Mark Schade who passed away in April. The Deputies took their time to grieve this loss and then with the agencies mission in mind moved forward to fill the void the best they could and get back to the job that Sgt Schade would have wanted them to do Your patrol division for 2008 consisted often patrol officers and three detectives with a lieutenant overseeing the entire division This number will increase by I in 2009 with the addition of a new patrol deputy position This position comes in the wake of a reduction in the commitment to the resource management agreement by the Maine State Police who cited a lack of resources for its reduction With an anticipated increase in our calls for service of approximately 17% we proposed two new positions to accomplish the level of service we presently provide This request was cut to one position which we will utilize to the best of our ability to fill the void.

The corrections division was and still is on pins and needles waiting to see what the newly created State Board of Corrections will determine to be their mission in the new state and county combined corrections LD 2080 created combined corrections that are still managed by their respective government entities however a Board of Corrections was formed to look at the system as a whole to determine changes that could provide efficiencies and lower the burden on the taxpayers Part of this unification created a provision that the property tax commitment for corrections is frozen at the 2007 level with any additional costs for corrections borne by the state through the appropriations process in legislature This is good news for the property tax payers who have been saddled with corrections costs that were often times driven by functions of the state. This does mean that corrections in individual jurisdictions will not be business as usual. Part of looking at the system as a whole is to determine possible mission changes to run more efficient facilities and still contribute to the system. Waldo County is inefficient as a full service facility due to its antiquated linear construction, however could provide a very efficient re entry or specialty facility that doesn't require the present level of security. This could mean downsizing or re assignment of staff which certainly caused apprehension among employees, however this staff continues to give 100% while they wait to see what mission they will be assigned in the new system.

Finally, with our economy in dire straights, civil litigation and foreclosures hit an all time high. Three civil deputies are working countless hours to get service out to individuals in a timely manner. Being the bearers of bad news is not easy but part of the job unfortunately.

As I always remind you all with my annual reports, we are YOUR SHERIFF'S OFFICE and are accountable to you, the citizens of Waldo County. I encourage anyone to call or stop in should you have any concerns in your community or with this agency. We are here to serve you, the Citizens of Waldo County.

**ANNUAL REPORT OF THE SUPERINTENDENT
WINTERPORT WATER DISTRICT
2008**

I am pleased to present my annual report to the Town of Winterport as Superintendent of the Winterport Water District.

The new water pumping station and well installed between 2006-2007 continues to provide a safe and reliable source of water to the District's customers. The water from the Punch Bowl Hill Aquifer is of such high quality that it does not require extensive treatment to place it in a ready state for our customer's use.

District personnel conducted a spring and fall system-wide flushing of all water mains, a process completed every year to maintain water quality and monitor the integrity of the system. The new pumping station constructed in 2007 has provided a significant increase in hydrant flushing capacity.

The Maine Drinking Water Program conducted a sanitary survey of the many parts of the community's water operations this year. The final report of this inspection revealed a well operated utility with no discrepancies, major or minor, for which the District is to be commended.

A new sewage grinder unit was installed in the wastewater pumping station to help prevent plugging of the wastewater pumps. The new grinder replaced a failed unit and provides improved advances in material shredding technology. The unit has been very successful in keeping the influent sewage pumps clear from plugging debris and preventing sewage spills.

The District completed a Comprehensive System Facilities Plan with the aid of a \$10,000 matching grant received from the Maine Drinking Water Program. Dirigo Engineering of Fairfield, Maine was awarded the project after a competitive bid process.

WWD continues to comply with EPA's Administrative Order to facilitate repairs to its sewer collection system. This year the District conducted a review of its Combined Storm Overflow Master Plan. The District's project engineer for the master plan update, Olver Associates' of Winterport, assisted by Trustees and employees of the District, conducted several nighttime flow gauging studies during rain events. The results of the surveys will help the District in assessing where the most cost effective sewer line remediation efforts should take place within the collection system.

In the latter part of 2008 the District began preparation of applications for Economic Stimulus Funding under the in anticipation of these funds becoming available in 2009. The potential for principle forgiveness or no interest loans if awarded would be used to repair compromised sewer lines that have been identified within the wastewater collection system.

The District continues to work with the U.S. Environmental Protection Agency concerning the inevitable replacement of the town's wastewater treatment plant. The District has also advised EPA and the Maine DEP that it is not in a financial position to comply with this decision unless significant grant funds are provided. In initial discussions with DEP, the District has made it clear that it wants to comply with all

applicable laws, but that any schedule for compliance needs to be contingent on receiving sufficient outside grant funding to make the project affordable to the 300 users of the Winterport sewer system. It is likely that the resolution of this issue will take several years.

The Maine DEP conducted an annual inspection in December of the wastewater treatment plant and its operations. The final report indicted a professionally operated and functioning facility.

Our utility continues with a very successful safety program. There have been no lost time accidents at the District since 1999. The District receives the highest rating from its workman's compensation carrier. This excellent record results in the lowest premium possible to our customers.

WWD continues to participate in a monthly area water utilities meeting, comprised of nine nearby water systems that share information and resources. The group meets at the Bangor Water District and collaborates on current issues, ways to reduce costs to our customers and maintaining quality customer services.

In closing, I wish to extend my thanks to the Board of Trustees, the Town of Winterport, our customers, and all of the District's employees for their support during the last 12 months.

Respectfully submitted,

WINTERPORT WATER DISTRICT

June 1, 2009

Dear Winterport residents and friends,

This year, Mainers are facing some of the greatest challenges seen for several generations. As I travel across Maine, I hear from many people worried about losing their jobs, heating their homes, putting food on the table, and getting affordable health care.

The economic crisis affects us all as Americans. Here in Maine, we must continue to create new jobs and help our businesses develop new ideas and products.

In my first three terms as your Congressman, I have found and won funding for research, training, and job development. In 2007, I authored a bill, which became public law, to create a Northern Border Regional Commission. The NBRC will invest federal resources in economic development and job creation projects in the most economically distressed areas of Maine, New Hampshire, Vermont, and northern New York. I have supported efforts to restore funding to the Small Business Administration to make sure it can offer Maine businessmen and women the capital they need to start and invest in their businesses. I have also secured substantial investments in federal research and development at the University of Maine, promoting valuable research and creating jobs throughout Maine.

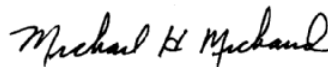

There is still so much else to do. Raising the truck weight limits on Maine's interstate north of Augusta will help our businesses, cut fuel costs and emissions and make so many of our rural and secondary roads safer for our families.

We need to keep our promises to our veterans and make sure that their benefits and health care are there when they need them. As the Chairman of the Veterans Affairs Health Subcommittee, I have worked to make health care more accessible for rural veterans and to increase the overall spending for the Department of Veteran's Affairs. In 2008, I sponsored HR 1824, the Montgomery GI Bill Expansion, to expand the scope of educational assistance under the Montgomery GI Bill so it may be used to obtain a commercial motor vehicle operator license.

Finally, my staff and I remain committed to providing quality constituent services whether it is help with cutting through red tape or a question about federal programs and benefits. If my office may ever be of assistance, please do not hesitate to contact me at my Waterville office at 872-8078 or by emailing me through my web page at www.house.gov/michaud. While on my website, I also encourage you to sign up for occasional e-mail updates on issues important to Mainers.

Thank you again for the opportunity to represent you in Congress.

With warmest regards,

Michael H. Michaud

April 2009

Dear Friends & Neighbors:

These are days of both despair and optimism. Rising unemployment, diminishing consumer confidence, mortgage foreclosures, decreasing return from investments, unsteady energy costs, a crumbling U.S. auto industry, and stagnant wages are all factors that add up to the greatest economic crisis since the Great Depression. In spite of the gloomy picture painted by our current situation in Maine and across the nation, there is reason not to despair if only we can learn from the bad decisions and poor policies that created this turmoil to begin with. Plausible solutions are still being mulled over by federal officials in Washington D.C.; however, I am confident that the American spirit of resiliency is still alive and well. Although government can certainly help in the recovery efforts, I hold firm in my belief that spending our way into prosperity will lead to future problems for our children and grandchildren. With State lawmakers now struggling to address a projected shortfall totaling in excess of **\$1 billion** for the next biennium, painstaking scrutiny of spending priorities is necessary, as well as prudent investment in initiatives that will spur new growth.

Having the honor and pleasure to once again represent your interests at the State House, I welcome constituent input on those issues most heavily impacting your families. For the 124th Legislature, leadership has appointed me to serve on two standing committees. Upon resuming my duties on the Utilities and Energy Committee, I will once again be exploring viable means of increasing energy efficiency and reducing our dependence on foreign oil. Other areas of oversight for this panel include the telecommunications industry, Internet and cable television services, and E-9-1-1.

Increasing layoffs by small and large businesses are a clear sign of their desire to shrink overhead costs and improve their balance sheets. Consequently, the weakening job market has placed great strain on our system of unemployment compensation. With this being the case, I am pleased to have also been assigned to the Committee on Labor, the panel which oversees this benefit. Other areas that this working group exercises regulative authority over include wage and hour laws, workers' compensation, collective bargaining, the Maine Public Employees Retirement System, and a range of similarly-related topics.

My colleagues and I in the Maine Senate and House of Representatives have our work cut out for us in the weeks and months ahead. Rest assured, however, I am available to provide insight on the policies under our consideration, as well as to assist with any impasse you encounter in dealing with State agencies and/or departments. Please feel free to contact me at home on weekends, 223-5177, or at the State House in Augusta, 287-1440, during the week so that I may address your questions or concerns directly.

Sincerely,

Michael Thibodeau
State Representative

ANNUAL REPORT TO THE TOWN OF WINTERPORT

Message from Senator Carol Weston

Dear Friends and Neighbors,

It is a great honor to represent the people of Winterport in the State Senate. I understand that critical issues are facing our communities today. I want you to know that I am working hard to find the best solutions that will bring a brighter future.

It comes as no news to you that we face very difficult times and hard decisions under the State House dome. You and your family face difficult times and make hard decisions every day. Unfortunately, some of those decisions you are now forced to make, are a result of Augusta's failure to make sound decisions.

While revenue has, until recently, increased from year to year, so has state government's spending. I will continue to work hard to cut wasteful spending while preserving the safety net for Maine's most vulnerable citizens. In November, Maine people rejected a new tax and sent a clear message to Augusta that no new taxes would be tolerated. I am firmly committed to addressing Maine's budget crisis without further burdening Maine's taxpayers.

Thank you for entrusting me with the privilege of representing your interests in Augusta. Please feel free to contact me if you, or a member of your family, have difficulties with any state agency. I would be happy to help in any way that I can.

Sincerely,

Carol Weston

April 15, 2009

Dear Citizens of Winterport:

In 2008, Mainers entrusted me to serve another term in the U.S. Senate. I am deeply honored and pledge to continue to work with my colleagues, both old and new, and with President Obama to forge bipartisan solutions to the economic crisis and the many other challenges facing our nation. I appreciate this opportunity to report on some highlights of my recent work in the U.S. Senate.

The number one priority continues to be to strengthen our struggling economy. We have witnessed the loss of over 600,000 jobs in one month, the collapse of the housing market, the unraveling of our nation's financial institutions, and the evaporation of trillions of dollars that have been invested in the stock market and other retirement and investment funds. That is why I joined Senator Ben Nelson (D-NE) and a group of my colleagues on both sides of the aisle, including Senator Olympia Snowe, to craft a compromise bill. It is estimated that this bill will create or save 3.5 million jobs in Maine and nationwide over the next two years. Much of this bill will fund transportation, energy and other infrastructure projects that will result in job creation. It includes a temporary increase in federal Medicaid dollars, which will bring \$470 million for Maine over the next 27 months. And it provides a significant funding increase for the Pell Grant program, special education funding, and a State Stabilization fund to help states deal with their serious budget shortfalls.

Soaring energy prices throughout much of 2008 highlight the critical need for our nation to achieve energy independence. As a nation, we should set goal of energy independence by the year 2020--an ambitious goal that will require a multi-faceted approach, but one that can be achieved through resolve and commitment. I joined a bipartisan group of 20 Senators that has developed a comprehensive bill to expand production of American energy, promote conservation, and spur the development of alternative sources of energy. To immediately mitigate the effects of high prices, I fought to increase funding for programs that help our seniors and low-income families such as the Low Income Home Energy Assistance Program (LIHEAP) and the Weatherization Assistance Program.

As the Ranking Member of the Senate Homeland Security Committee, I am committed to ensuring that Our nation is as safe as possible and that government is prepared to respond to disasters. Maine certainly has had its share of natural disasters during the past year. This year, my homeland security priorities include renewing a port security law that I coauthored and strengthening security at labs containing dangerous pathogens.

My recent appointment to the Appropriations Committee will allow me to have greater input on funding of priorities that are important to Mainers, such as shipbuilding, health care, education, and transportation infrastructure, while also giving me the ability to continue pressing for the elimination of wasteful spending that exacerbates our federal deficit. And, as a member of the Senate Armed Services Committee, I will continue to work tirelessly on defense issues that are important to Maine, and **our** nation and be a leading advocate for Bath Iron Works, Portsmouth Naval Shipyard, and the many other defense contractors in Maine that contribute to our national security.

While this is just a brief summary of my recent work in Washington over the past several months, please know that I will continue to work as hard as possible representing Maine in the U.S. Senate. I am grateful for many blessings, including the opportunity to continue representing Winterport and Maine in the United States Senate.

If ever I can be of assistance to you, please contact my Bangor office at 207-945-0417, or visit my website at <http://collins.senate.gov>.

Sincerely, Susan M. Collins
