Dedication

In previous years, we have dedicated the annual Town Report to friends, neighbors, and veterans. This year, we are pleased to honor an individual who holds all three of those qualifications. **Deb Hoover**, a valued town employee and coworker, retired last year after serving as Town Clerk for 11 years.

Deb, also known as “Shorty,” was born and raised in Ohio. She served in the Navy in Japan as a Radioman. After serving, Deb moved to New Hampshire where she raised her son as a single parent. She worked at Intel for 15 years, where she met her partner, Dennis. In 2004 the two of them moved to Winterport. After getting settled, Deb saw an opening at the Town Office and applied for the Town Clerk position.

As Town Clerk, Deb moved the town forward in various ways. One example was being able to issue heavy truck license plates to the town residents. She also played a critical role as dispatcher for the Fire Department and Ambulance Service in providing direction and assistance for our first-responders. Her expertise in town matters was unmatched and she took immense pride in her work. All of us will remember her polite demeanor, gentle sense of humor, and winsome smile. Deb is an avid reader, painter, movie buff, and loves cartoons. She is a member of the Winterport Clippers Quilting Guild. She is a close friend and we miss her in the office. We wish her the very best. “BE-DO”

Lledrew Hackett Sr. was born on October 13th, 1934 and has lived in Winterport his entire life. He is the 5th generation of Hackett’s in Winterport.

Lledrew has always been interested in Winterport town affairs and public service. With a gift for public speaking, Lledrew was fair, professional and objective in the decision making process. He served a total of 36 years in elective office for the Board of Selectmen and Assessor, also 10 years as a Trustee of the Winterport Water District and being a treasurer of both districts. Lledrew worked eight years at Hackett Machine in Brewer and 28 years at Bangor Hydro as a hydraulic superintendent.

Lledrew felt it appropriate to include a photo of his wife Gladys of 64 years in this tribute. She stood by his side and raised their four children and took care of the home affairs while he was at work at Bangor Hydro and attending to town business. Lledrew said “Without the support of my wife Gladys, the dedication I gave the town for many years would not have been possible.”

Mrs. Theodora Weston

Teddy Weston was born in Springfield, VT on 17 February 1921. She graduated from Colby College in 1943. In 1940 while attending Colby, she met Donald Weston during a visit to the Weston farm in Madison over Thanksgiving. On 12 January 1942 a justice of the peace in Connecticut, where Don was serving in the Army, married Teddy and Don. Just a few days after the wedding, Don left for the South Pacific and did not return home for 46 months. After graduation from Colby, Teddy worked in Schenectady, NY for GE until Don returned home from the war.

They moved to Caribou, Maine where Don worked as an engineer. All four of their children were born in Caribou. In 1957 Don accepted a position at Dow Air Force Base in Bangor, and the family moved to Winterport, to the home where Teddy still lives today. The four children attended the Winterport school system, although they ended up graduating from different high schools. John graduated from Winterport High School, Anne from Bangor, Stephen from Brewer and Peter from Hampden Academy.

When her children were young, Teddy was an active substitute teacher in the Winterport schools and as a result all students got to know her. In 1970 she accepted a full time position at Hampden Academy teaching math. After Dow closed, Don finished out his career teaching at EMVTI. Both retired in 1979.

Teddy and Don were active in the community from the first day they arrived. She was an accomplished piano player and performed in many town events, like the 1960 Winterport Centennial celebration. Teddy has been active in the Women's Club, the Universalist Church in Bangor, Girls and Boy Scouts, the Union Meeting House, and the Winterport Historical Society. The time spent with the Historical Society has been and is still very rewarding for her. She has written several books and numerous papers on various historical subjects, including the book about Winterport More River Town History, published in 2011.

Teddy has been and continues to be a mentor for many people in Winterport, whether as a den mother, Girl Scout leader, a teacher, neighbor, or just a good friend. People recognize her and wave as she takes her walks through town.

Teddy Weston finds it hard to believe she is the oldest person in Winterport because while the calendar and the body says she is getting older, her mind is still as sharp as when she was explaining algebra to her pupils 45 years ago.

DIAL 911 FOR ALL EMERGENCIES

TOWN MANAGERS AND COUNCIL REPORT

We are happy to be sitting in our new Municipal Complex writing this for inclusion in our Town Report. We moved into the new town office on Wednesday, April 19, 2017 and opened up to our residents on Friday, April 21, 2017 at our normal time. Robert Deslauriers was the first customer of the day, everything worked, and it was business as usual for the rest of the day, but in a great new setting. We held our first Council meeting on Tuesday, April 25, 2017 and look forward to future Councils enjoying this building for the next 50 to 100 years. This is a wonderful accomplishment for our community and we want to thank all of our residents for their support.

The Council and I felt that after last year's town meeting it would be a good idea to try and explain to our residents both new and old what town meeting is all about to avoid lengthy and contentious issues from being brought up that are really not part of the business at hand. Town Meeting is specifically fashioned to deal with the Town Warrant which; authorizes our officials and the town manager to expend funds for running the town, elects individuals to the budget committee, Council, Assessor, or School board, deals with any referendum questions, and setting dates for tax collection, interest charges, etc, in other words it is only to deal with items that appear on the Warrant, a copy of which is in your town report. Many of the issues that were brought up at town meeting were viable ones, but the place for those to be discussed would be at a Council meeting which take place every other week, or with a phone call or visit to the Town Manager.

This upcoming new fiscal year has presented some challenges due to stepped changes in the States Homestead program, the first of which took place last year, and the second of which goes into effect this year, resulting in loss of revenue to Winterport. Coupled with that are continued increases in our portion of the County budget of \$18,877.00 and in our share of the RSU 22 school assessment of \$161,326.00. The Council, Budget Committee, and I worked diligently on the proposed budget you see contained in the Warrant and unless the State comes up with more money for our schools, or the school budget is reduced, our current mil rate for next year will see an increase. I would encourage all the taxpayers of Winterport to become more active in the school budget process by attending the meetings and making your voices heard, as this is where the lion's share of your property taxes are spent.

In closing, the Town Council and I look forward to seeing all of you at Town Meeting on Thursday evening June 15th at the Wagner School cafeteria. We promise you that we will do our best, working with you, and for you, as Town Manager and Town Council, to keep Winterport the place we love to call home.

Please remember that when you are at the town office make sure you take the time to say hello.

Respectfully Submitted,
Phillip G. Pitula

June 2017

Greeting Residents of Winterport!

In 2016 the WVAS continued to have exciting challenges. During 2016 WVAS responded to 373 calls with an average call duration of two hours. Normal staffing per call is a Driver and a Paramedic. When a Paramedic is not available the normal staffing is a driver and an EMT, for a total of approximately 2,358 man hours of time. Additional time is donated for administrative functions, cleaning and maintenance of the ambulance for an approximate total time of 725 hours of donated time to the residents of Winterport.

The Winterport Fire & Rescue Service, DBA Winterport Volunteer Ambulance Service (WVAS) is a 501(c)3 non profit organization. The Service was started in February 1972 with an Oldsmobile ambulance the saw service at Pease Air Force base in New Hampshire. From that humble beginning in 1972 the Service has grown into a state of the art ambulance service, with some of the most advanced and sophisticated equipment for a service of its size. WVAS currently owns and operates two ambulances. Both ambulances have been put to use simultaneously several times over the past year. Funding for the WVAS comes from Insurance billings, donations from the community, subscriptions and contributions.

In the calendar year the service recognized the following:

Income:	Insurance Revenue	145,040.00
	Subscriptions/Other	<u>7,384.00</u>
	Total	\$152,424.00
Expenses:		<u>(155,146.00)</u>
Net Income:		(\$2,722.00)

Perhaps you have read somewhere or heard about the smaller ambulance services in Maine closing their doors because of lack of funds or a lack of volunteers. Consider making a tax deductible direct donation to the Winterport Volunteer Ambulance Service or you may consider purchasing a subscription; the form is in the back of this book. Donations go directly to the operating cost of the WVAS and are used to purchase supplies and equipment to help meet its goal of providing the best possible Emergency Medical Services to the residents of Winterport.

Respectfully Submitted:
Philip A Higgins, Director

INDEPENDENT AUDITOR'S REPORT

October 13, 2016

Members of the Town Council
Town of Winterport, ME 04496

Report on Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Winterport, Maine as of and for the year ended June 30, 2016, and related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Winterport, Maine as of June 30, 2016, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3-7 and 28, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Winterport, Maine's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the information is fairly stated in all material respects in relation to the financial statements as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED JUNE 30, 2016*

Page 2 of 2*

Net change in fund balances - total governmental funds	88,974
--	--------

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense to allocate those expenditures over the life of the assets:

Capital asset purchases capitalized	405,198
Depreciation expense	(342,059)

Bond proceeds provided current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position:

Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds:

Unavailable Property Taxes	2,178
----------------------------	-------

Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds:

Transfer to Fiduciary	3

Change in net position of governmental activities	154,294

THE NEIGHBOR'S CUPBOARD

April 2017

The Neighbor's Cupboard is Winterport and Frankfort's emergency food pantry. Last year 128 families used the Cupboard. The total number of individuals was 405 people. The families made 1198 visits, of our 128 families, 22 were new families that had never visited before. These families received 2820 bags of food. This is a slight decrease in the number of families from last year.

The Government has increased its food allotment to Maine and our Cupboard. Fisher's Organic Farm and the Waldo County Pre-release Program supplied us with a ton or more of fresh vegetables in season. Our fundraising enables us to purchase food from Good Shepherd to round out our food supplies.

Fundraising and food drives keep our shelves stocked with a rich variety of foods, personal care items, and detergents. Please support the local food drives, the schools, Wagner and Smith, the Woman's Club and The Letter Carrier Food Drive. Tea Mania, and the Winterport Winery collect food and money year round.

Our local churches Frankfort Congregational, St Gabriel's and Ellingwood's Corner Church in Winterport, and Nealley's Corner Church in Newburgh brings us food and have provided us with many volunteers over the years.

We thank the dedicated volunteers, Donna Allen, Phylis Allen, Chris Bates, Stan Bowden, Sandy Comeau, Kristen Hallett, Paul Hallett, Janet Keene, Brenda Lavalley, Don Quigley, Keith Ritchie, Betty Williams, Ellie Jordan, Donna Atwood, and, Tom Skratt.

If you have a donation of food etc. please come to the Victoria Grant Building at the end of Park Drive on Wednesday mornings from 8:30 to 10:30. Checks can be mailed to: **Neighbors Cupboard, P.O. Box 742, Winterport, ME. 04496**, we are a 501c3 organization so your donations are tax deductible.

We are open to clients on Wednesday morning from 9:00 to 10:00 or until the last person in line is served.

HOME DURABLE MEDICAL EQUIPMENT SUPPLY REPORT

To the citizens of Winterport,

The town will continue to provide a limited selection of durable medical equipment for loan to the residence. We have downsized much of our surplus as our storage capacity will be limited in our new Municipal building. Our supply will now consist of a couple wheel chairs, rolling and non-rolling walkers, crutches and canes. We are no longer able to accept donated equipment by drop off. If you do have any of the listed equipment and would like to make a donation please contact me and I can make arrangements to meet with you.

Thank you to the Town residents who have generously donated equipment over the years. We have been able to donate the extra surplus of equipment to other Agencies that offer care to those in need both local and abroad.

For more information you may contact the Town office Monday-Friday or Supply Coordinator, Lee Bowden @ 223-5975.

Respectfully submitted,
Lee Bowden

WINTERPORT CEMETERY DISTRICT

Don Nelson has continued to serve as Sexton in place of longtime Sexton, Sam Butler. We thank Don for his work. Roger Torrey continues to a great job as Superintendent. The District Board meets on the third Wednesday of each month throughout the year. Time has been spent adopting a unified policy of regulations for operation of the cemeteries, developing an updated inventory of the cemetery lots and repairing damage caused by time and vandalism.

For those who may not know, there are seven public cemeteries in Winterport:

1. Oak Hill Cemetery on Lebanon Road
2. Bald Hill Cove Cemetery on the Rt. 1A and Old County Road
3. Grant/Littlefield Cemetery on Goshen Road
4. Perkins/Vinal Cemetery on the Monroe Road
5. Ellingwoods Corner Cemetery at Rt. 69/Ellingwoods Corner
6. Twining Cemetery on Twining Road
7. Cole Cemetery on Meadow Road

In addition to providing a final resting place, these cemeteries are also one of the best sources of the history of the people of Winterport, commemorating citizens and soldiers from as far back as the Revolutionary War. Unfortunately, time and neglect have put us in danger of losing permanently some of this history, especially in the smaller cemeteries. The Cemetery District is committed to preserving this part of our heritage.

Grave lots in the Cemeteries are available for \$300.00 per grave (\$150.00 per grave, \$150.00 for perpetual care). Although the traditional sales of graves in lots of six are still available, they are also available individually or in groups of less than six. Those interested may contact any of the trustees listed below or write the Winterport Cemetery District at POB 413, Winterport, Maine 04496.

WINTERPORT RECREATION

Another successful year has come and gone for the Recreation Department. Over the last year we continued to provide our usual wide range of activities for our residents to enjoy while managing to sprinkle in new activities or events here and there.

Late spring and summer prove to be our slowest months. We followed an excellent T Ball/Instructional Baseball season with a well-received summer soccer clinic coached by resident Dan Mayo. This summer we will be adding basketball clinics to our schedule.

The Fall is always our busiest season and this last year was no exception. The tradition of great coaching in our soccer program continued this year. Despite losing several experienced coaches our program recovered quickly with the arrival of talented coaches who filled the void. Our strongest coaching group in years gave our basketball program a tremendous boost. The older kids played games against Bangor, Belfast and Searsport. Our 2nd Craft Fair proved to be even more successful than our first, which had been very popular. We expanded to include 50+ vendors who offered more than 60 tables of homemade crafts. The proceeds from the food sales amounted to \$529 and every penny provided Christmas gifts and clothing for local families through the Smith School Holiday Fund. Congratulations to Winterport resident Barbara Carter for winning \$264 from our 50/50 raffle. Winterport Fire and Rescue received the other \$264.

We held several Community Dinners and assisted Ann Ronco and the Town Crier during the Rick Sibley Benefit Breakfast. Over \$3000 was raised to help Rick with medical bills.

Other activities included the Spring Clean Up (volunteers cleaned up areas of town), the Easter Egg Hunt, the Fall Festival (in conjunction with PIE this year and it worked wonderfully), Skate Night at the Abbott Park Rink, ice skating at the rink, Saturday Kid Gym at the Smith School, pickleball and more. Unfortunately, inconsistent weather forced the cancelation of the Winter Festival.

For more information or to contact me please call 370-1815, email (gregd@winterportrec.org), go on our Facebook page or visit winterportrec.org. The Facebook page always has our most current information and is the best option for everything Winterport Rec. We can always use more volunteers, suggestions, etc.

Thank you, Greg DaSilva, Recreation Director

WINTERPORT MEMORIAL LIBRARY

The Winterport Memorial Library has had another great year with continued growth and usage. Thank you to the community for all of the generous donations that were made through our annual appeal letter. Over \$2,000 was donated. The library will be using these funds for further program development. The library will be continuing this annual fundraiser so be on the lookout for the postcards in the Fall. Any and all donations are welcome at any time. See below for information.

The library is excited to announce that there will be a new website developed. This website will make it easier for everyone to find out what the library is offering as well as other helpful links for the community.

The library received a grant for \$2,000 from the William Treat Foundation which was used for new children's bookcases. This allows the children to be able to safely reach all the collection. The bookcase is mobile which adds to the available space for future groups and visits.

The library has a continuing Story Time on Fridays at 10:30 and an ongoing book club that meets monthly. Please check Facebook and our website for future offerings.

There are many services that the library provides to our citizens; books, audio books, DVD movies as well as three public computers, a printer, scanner and fax machine. The WML participates in Inter-library loan program and offers e-books and audio books through the Maine State Library.

Hours are: Tues 2-7, Wed 9-2, Thurs 2-7, Fri 9-4 and Sat 9-12 (closed from Memorial Day until Labor Day on Saturday). Please contact the library at 223-5540 and follow up on Facebook.

WINTERPORT PLANNING BOARD

2016 ANNUAL REPORT

The Planning Board had another slow year, with the only matter coming before the Board being the application for the building of the Dollar General store on the Main Rd., which was approved. The Board also bid farewell to Richard Babine, who had served as code officer for many years. We all wish Dick the best in his future endeavors and thank him for all of the good work he has done. We also welcome Luke Chiavelli, our new code officer. As always, the public is invited to all Planning Board meetings.

WINTERPORT WOMAN'S CLUB GFWC

It is a pleasure to report to the citizens of Winterport the ongoing work of the Winterport Woman's Club GFWC. Our club members continue to beautify, support and inform the community with various projects and programs chosen during the past year.

Our membership continues to support the Town Fuel Assistance Fund, the Winterport Fire & Ambulance Service and The Neighbor's Cupboard, and to beautify the Town of Winterport with seasonal plantings and holiday wreaths.

This year we partnered with The Neighbor's Cupboard and held our first annual turkey drive to provide 50 turkey dinners to feed local families at Thanksgiving. Through the generosity of our community, we exceeded our goal! In December, our club purchased and delivered new bedding sets for the youth residents of the Sweetser Home, provided holiday gifts for local children through the Smith School and the Frankfort Congregational Church's mitten tree, and donated a very successfully bid-on decorated tree to the Wagner School's first annual Community Christmas Fair.

Many of the lighted wreaths which are hung along Main Street in the village during the holiday season are more than 20 years old, and in need of updating or replacement. The Woman's Club again asks for your support of an article in the upcoming town warrant, in the amount of \$1,000.00, to support the maintenance and replacement of these wreaths.

In June of 2016 we awarded two scholarships (\$500.00 and \$1,000.00) to two Winterport girls who graduated from Hampden Academy.

Last May we presented the 2016 Spirit of America Award to The Winterport Living Nativity, whose representatives were presented with a certificate of recognition of this 50-year holiday community tradition, at our annual dinner meeting.

Our third annual perennial plant sale was held over two days at the end of May, and was a great success. Our thanks go out to everyone who supported this project, and to the Winterport Fire Department for their assistance. We plan to hold the fourth annual sale in May of this year, and invite all to join us and get some locally grown perennials to plant in your garden while supporting our future projects in town.

Our members are gearing up for our fifty-seventh edition of the 2018 community calendar. All Winterport residents are invited to add their birthdays, anniversaries, or other special dates to the calendar by contacting Cindy Seekins at cseekins1@myfairpoint.net. We thank everyone who stopped by at the polls in November to purchase a calendar. Winterport Citizens,

The Annual Meeting will be held on Monday, May 8, 2017 at 6:00 p.m. This meeting will take place in the Winterport Historical Building, which is next door to the Union Meeting House on Main Street. All members and friends are welcome to attend this meeting.

This past year was full of wonderful events that were very well attended by the general public. Such events included an Open House that was held in June. The comedy show of Old Cop Guys was an enjoyable evening. A concert featuring Tim Sample was a big hit. Finally, a well conducted Open Forum with four candidates running for either the State Senate or the Legislature was greatly appreciated. The Annual Live Nativity was performed in December. Please note that the 50th anniversary of this marvelous tradition will be celebrated in December of 2017.

Maintenance and the restoration of this magnificent historical landmark here in Winterport is always a challenge that the Board addresses with great pride. The Board is truly grateful for all the support it receives from its members and the community at large. It is especially appreciative for the Town's allowance for funding the winding of the steeple clock each year.

2 April 2017

The Winterport Historical Association (WHA) holds their monthly meetings at 183 Main Street on the second Thursday of September, October, November, April, May and June at 6:30 pm. All meetings have a potluck dinner provided by the members with the exception of the June meeting, when pizza is served. The dinner is followed by a guest speaker, who usually speaks on an aspect of Winterport's history. The annual meeting takes place in May and this is when the election of officers and directors as well as other business is voted on.

Theodora 'Teddy' Weston was for many years the archivist of the WHA. Two years ago she asked for someone to take her place and since that time board members have been searching for a replacement. Last fall, Ann Johansen agreed to take this position.

The WHA has an impressive collection of the town's history and this can be accessed during meeting hours or by appointment. To make an appointment please call Jon Johansen at (207) 223-8846.

WHA's building is part of the Union Meeting Hall and our agreement with them is that we maintain the building. Last year, it was noted that the building was in need of some minor repairs and a coat of paint. A painting contractor, Josh Stetson, was hired who came in and made the repairs and gave the building a new coat of paint.

During last fall's meetings we heard a discussion on Winterport's apple industry by Roger and Mary Newey; the history of the Abbott House by the Cuddys; and a talk on the history of the town's fire department and its upcoming new home. The last two speakers were recorded, which will be done for all future speakers.

Over the years a lot of work has been done to document Winterport's history, however there is still more that needs to be documented. Additional documentation needs to include oral histories, and collecting photographs and documents of the town's past. Also the history that has already been compiled needs to be computerized and made available on the Town's website.

We still have copies of the books "More River Town History" and reprints of "Old River Town" available for purchase at the Town Office.

If you would like to become a member, or just want to support saving the history of Winterport, please send \$10 to WHA, P. O. Box 342, Winterport, Maine 04496.

This report has been respectfully submitted: Jon B. Johansen, President; Judy Faust, Vice President; Mardi Coggeshall, Secretary; and Jean DaSilva, Treasurer.

Greetings to the Veteran's and Citizens of Winterport.

I want to take this opportunity to inform the Citizens of Winterport about activities performed by the Argonne Post 138 of the American Legion. Among the members it is commonly referred to as "The Post."

The Argonne Post was originally chartered around 1924 and as near as we can ascertain the post was named for the members who fought in or around the Argonne Forest in France during WW I.

We continue to provide Memorial Day Parade and Veteran's Day activities. The Post uses money appropriated at town meeting to buy Flags that are placed each year on the graves of our deceased veteran's. The Post sponsors an Honorable Flag Destruction Ceremony annually. You are invited to bring your unserviceable flags to the Town Office, The Post Office or to any Legion member.

The Post is a proud sponsor of the "Blue Star Banner" program. Blue Star Banners are available to the Parents of currently serving military personnel. If you have a son or daughter currently serving in the U S Military and you do not have a Blue Star Banner please contact us. There is no charge for the Blue Star Banner.

Meetings are held the Second Thursday of each month at 7:00 PM in the Victoria Grant Community Building. Membership is restricted to specific dates as established by the United States Congress.

WINTERPORT FIRE DEPARTMENT

To the Citizens of Winterport

As I prepare this year's report for 2016, the Fire Department and Ambulance Service are getting ready to move into the new facility. This is particularly exciting for three of us, having been involved since the Fire Department had one truck in one bay under the old Town Hall and our "Office" was an old furnace room with no windows.

Calls for service continued low in 2016. About 1/3 was for traffic control and to assist the ambulance. We had six structure fires and we assisted our mutual aid partners eight times. The remaining calls were varied in nature from chimney fires to CO detector and smoke alarms and fire alarms at the schools.

Many residences still need house numbers posted to make your address easy to locate. Since about half the time it is dark, these numbers should be *reflective*. It is particularly important that these numbers are displayed in easy view for responders approaching from either direction.

The 1989 Mack fire engine which was purchased in 2013 has been placed in service. We await specialized equipment which will allow it to be used as a class I engine. We are evaluating our plan to convert our 1983 Mack which came from Essex, CT. This will allow the retirement of the rather light duty GMC tank truck that has a gasoline engine and hydraulic brakes. The tank body on this truck was built locally, we have made rust repairs a couple of times and the tank needs another leak repaired now. We feel it best to move to the more heavy duty truck and avoid a complete refit of this twenty-nine (29) year old truck.

Although our fleet is aging, we do have some breathing room. When the above detailed work is complete, our fleet will be 13, 27, and 34 years old. The Capital Reserve Account has been significantly reduced to get the work done. Funding of the Capital Reserve Account should be at a level which will restore the balance as quickly as reasonably possible to keep our options open and be in good financial shape to buy either good used equipment when the opportunity arises or to be able to buy new if needed. I continue to be concerned that solutions to budget issues in Augusta will continue to flow down hill to the municipalities, putting pressure on already strained resources.

Fire permits are required for ALL open burning, year round. The Permits are available from Fire Warden, Thomas Doe, or at the town office (9 to 5, Monday thru Friday). Permits may also be obtained any hour of the day or night on line at <http://www.maineburnpermit.com/> subject to the requirements imposed due to environmental conditions. All burns are required to be conducted after 5:00 pm unless there is a steady rain or the ground is completely covered with snow. The following materials produce especially dangerous pollutants and must NOT ever be burned: treated wood, plastics, Styrofoam, wire insulation, vinyl siding, asbestos-containing materials, rubber, metals, food wastes, chemicals, trash, asphalt shingles, paper, cardboard, mattresses, furniture, tires, tar, paints, solvents, sludge, and insulation. When in doubt DO NOT burn.

The firefighters continue with mandatory training to be fully prepared to address whatever emergency we may be confronted with. This training is both internal and working with our mutual aid departments. Two of our younger members will be enrolled in Basic Fire School in the spring of 2017 and should be qualified as an Interior Firefighters before summer. Although most departments are experiencing shrinking rosters we are about holding our own. Automatic Mutual Aid is key to all area towns (including Winterport) to partially deal with shrinking participation.

Anyone interested in joining our ranks should contact the Fire Chief, Thomas Doe at 223-4412, or come to our monthly meeting which is generally the first Sunday of each month at 7:00 pm, at the fire station.

Respectfully submitted,

Thomas A. Doe, Fire Chief

WINTERPORT FIRE & RESCUE ASSOCIATION

To the Citizens of Winterport

The Winterport Fire and Rescue Association is a group of volunteers who are dedicated to lending a helping hand to the citizens of Winterport and surrounding towns. The association operates the Ambulance Service and performs a number of volunteer tasks which prepare us to assist you. The members donate many hours receiving training to be prepared to render aid on the ambulance when you are sick or injured and to be prepared with equipment, such as the Jaws of Life, to assist the ambulance service at accident scenes. The ambulance attendants and drivers donate untold unpaid hours training. With the high cost of transportation we have begun paying the responders when they go on a call and transport a patient to the hospital. On the fire side of the slate the volunteers attend training three times a month. This training is everything from how to operate the different pieces of equipment we have, safety, traffic control and fire suppression. This year the fire side of the organization has purchased gear lockers for the new station which is saving the tax payers approximately \$4200. The Ambulance Service made the first of twenty payments which will ultimately result in the Association paying for 25% of the construction cost of the new facility.

Many thanks to those who donate your returnable bottles at the transfer station, the transfer station attendants that keep the bottles organized and J & M Redemption for their assistance in getting the bottles to their facility. Through donations from such activities as: Burning Grass, Burning Brush Piles and returnable bottle money, we are able to purchase items for the Fire Department which reduces the amount of money which is needed to be raised through taxation to support the Fire Department.

The association also takes on a number of volunteer activities, including: Placing the Christmas decorations and the banners for events that take place during the rest of the year; providing traffic control for various functions such as the annual Christmas Pageant and Parades.

We have yet to raise the height of our two-way radio antenna on Blueberry Hill to eliminate some of the dead spots. We are hopeful that this will be a reality during the coming year.

Respectfully submitted,

Thomas A. Doe, President; Stanley Bowden, Vice-President; Thomas Skratt, Secretary/ Treasurer

CHIEF DEPUTY
Jason Trundy

Honorable Commissioners and Citizens of Waldo County,

I am honored to provide you with the annual report of the Waldo County Sheriff's Office.

During 2016, we applied for and received a grant to hire a Domestic Violence Detective. This detective will allow the Sheriff's Office to provide a higher level of safety to victims and the children of victims who are ravaged by the violence of domestic abuse.

The patrol division handled 8,685 calls for service from the public. These calls include all types of incidents to include domestic violence, burglaries, thefts, child abuse, sexual abuse, motor vehicle crashes and much, much more. The epidemic of drug abuse continues to plague the citizens of Waldo County generating much of the crime experienced in our county. The patrol division also conducted 2,258 traffic stops throughout the County in an effort to reduce automobile crashes resulting in injury and property damage.

The Maine Coastal Regional Re-entry Center served 65 residents in 2016. These residents were men who were nearing the end of their term of incarceration. Our many programs assist them with their integration back into society as productive and contributing citizens. The re-entry residents provided 4,565 hours of free community service to the citizens of Waldo County; which if paid at minimum wage, would translate into a savings of \$41,085. The re-entry residents also provided 78,000 pounds of fresh produce to local food pantries from the County's Garden Project overseen by Waldo County Commissioner William Shorey. The residents also paid \$33,634 dollars in room and board payments to the County during the year.

The 72 hour holding and booking facility processed 1,003 persons who were arrested in Waldo County by all the law enforcement agencies serving our County. If a person who has been arrested cannot make bail within 72 hours, he or she has to be transported to the Two Bridges Regional Jail in Wiscasset by our Transport Division. This, along with bringing prisoners to court and medical appointments, generated 439 transports traveling approximately 68,129 miles in 2016.

Our Civil Service Division served 1,581 sets of legal paperwork all over Waldo County.

The members of the Waldo County Sheriff's Office Team are proud to serve the citizens of this great county and we look forward to providing professional law enforcement and corrections services to our County in 2017.

Sincerely,
Sheriff Jeffrey C. Trafton

WINTERPORT WATER DISTRICT - ANNUAL REPORT - 2016

The Winterport Water District's goal is to operate and maintain the District's facilities as required by the Maine Department of Environmental Protection and the Maine Drinking Water Program and as required by its various permits and all applicable regulations. The Winterport Water District operates the wastewater treatment facility at 34 Sampson Street and the water treatment facility at the end of Reservoir Road.

At the wastewater treatment facility, the main activities for 2016 included ongoing efforts to assist the District in obtaining funding for the conversion of the facility from a primary level of treatment to a secondary level of treatment that would remove 85 percent of solids and organic materials. In 2012, the U.S. Environmental Protection Agency revoked the District's long-standing waiver from secondary treatment due to the discharge in an estuary that is also in a water body with nonattainment for bacteria not directly related to the District's discharge. We are hopeful that an acceptable funding package will be available within the next few years. The plant is in need of an extensive upgrade irrespective of the requirement of providing a secondary level of treatment. The District had zero Combined Sewer Overflow events for the year. In 2016, the District made temporary repairs to the facility, demolished unused equipment, completed system wide manhole inspections, and completed a rate increase to afford the current level of operations.

The District's water system includes a water treatment plant that relies on two groundwater wells that supply water to the Town. The District's treatment facility at the end of Reservoir Road monitors the water supplied to the distribution system and adds three chemicals to the water: fluoride, chlorine, and a sequestering agent. Fluoride is used as a dental supplement, chlorine is used as a disinfection agent, and the sequestering agent is used to coat the piping and prevent downstream problems in boilers and other utility systems that use the water. In 2016, the water treatment facility pumped 18.56 million gallons of water, and of this amount 9.76 million gallons was billable revenue. The difference between the pumped water and billable revenue is water that was lost because of leaks and faulty meters, the leaking water storage tank, routine hydrant flushing, fire protection, and process water, to name a few.

Overall, the water system is in very good condition except for two galvanized steel water lines (Lincoln Street and Parsonage Street) and the water storage tank. In 2016, the District applied to the Drinking Water Program for funding to improve the current water storage tank. Currently, we are working on evaluating several options to improve water system pressure, upgrade or replace the existing water storage tank, and obtain funding for these projects to minimize their impact on the District's rate payers.

WALDO COUNTY PROBATE COURT ANNUAL REPORT

To the Citizens of Waldo County:

Thank you for this opportunity to report about Waldo County Probate Court.

Waldo County Probate Court is where you would go to petition for a guardian for a child or an allegedly incapacitated adult, for a name change, for a private adoption and for the administration of a decedent's estate.

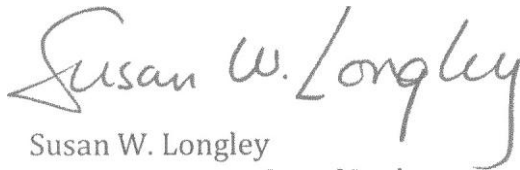

Given the emotions involved in family matters, Waldo County Probate Court continues to offer a relatively low-cost mediation program for parties in contested cases. Procedurally, if you were to find yourself in a contested case and were to opt to try mediating before litigating, you first could meet with our skilled mediator in our private conference rooms to explore creative ways to resolve some or all your differences. And if you - like most - were able in mediation to resolve any of your difference, you mostly likely will have saved yourself and your family hours, if not days, months and, sometimes, years of more costly litigation.

Next, "probate basics" workshops: Each fall, we continue offer free probate basics workshops. Should you attend, you will receive free forms and explanations of powers of attorney for financial and medical decisions. Though you will not receive individualized legal advice, you still will learn lots about how you can take the next steps, either on your own or on the advice of your lawyer. As for times and places of this upcoming fall's free probate basics workshops, simply watch for the times, dates and places posted in our local newspapers.

Finally, Waldo County Probate Court is located at 39A Spring Street in Belfast (on the floor below District Court). We stand ready to serve you Monday through Friday from 8:00 a.m. to 4:00 p.m., with additional hours as emergencies require.

Thank you for your ongoing interest and support.

Respectfully,

Susan W. Longley
Waldo County Judge of Probate

Annual Report to the Town of Winterport
A Message from Senate President Michael Thibodeau

Dear Friends and Neighbors:

It is an honor to represent you in the Legislature and to once again serve as the Maine Senate President. I am grateful for the trust and confidence you have placed in me. We are now in the First Regular Session of the 128th Legislature which is the longer of the two legislative sessions.

I remain committed to helping grow Maine's economy by making our state a more attractive place to live and work. To that end there will be more efforts in the 128th Legislature to lower energy costs, reduce the size and scope of state government and continue to reform our welfare system.

The 128th Legislature is scheduled to adjourn in late June of this year. Before doing that, lawmakers will have to agree on a two-year budget that will cover Fiscal Years 2018 and 2019 before the next fiscal year begins on July 1, 2017. Finding consensus among Democrats, Republicans and Independents on our many state spending priorities is always a daunting task, and this year will be no exception.

Last November, voters made it clear that they wanted the State of Maine to allocate more funding to Maine's public schools, and I believe it is incumbent upon us to honor that wish. The problem with the language of Question 2, however, is the funding mechanism that imposes a burdensome tax on Maine families and small businesses. Many of them are family-run operations that employ Mainers and operate on small profit margins. I have already heard from many business owners and professionals who tell me that this punishing new tax will force them to make difficult decisions that include laying off employees, moving out of Maine or closing their doors for good.

I believe that we in the Legislature can honor the spirit of what voters called for without doing irreparable harm to Maine's economy. I am confident that my fellow lawmakers and I can accomplish this by resisting the temptation to retreat into our partisan political corners, and instead engage in civil discourse that is aimed at bettering the lives of those we serve. I know this because last year, the National Institute for Civil Discourse gave Maine the "Award to the State Most Committed to Civil Governance."

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you need my help with a legislative matter. I can be reached in Augusta at 287-1500.

Sincerely,

Michael Thibodeau
Maine Senate President

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust our State has placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam. The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21st Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997. I appreciate the opportunity to serve Waldo County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Bangor state office at (207) 945-0417 or visit my website at www.collins.senate.gov. May 2017 be a good year for you, your family, your community, and our state.

Paul R. LePage
GOVERNOR

Dear Citizens of Winterport:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities continues to be the reduction and eventual elimination of the income tax. Raising the minimum wage is not the path out of poverty; I want Mainers to earn a career wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Unfortunately, voters approved a referendum question to raise the income tax to 10.15% on successful Maine households and small businesses. Enacting the second highest income tax rate in the country shows the nation we are eager to punish people for being successful. It will drive them out of our state and make it even more difficult to attract much-needed doctors, dentists, scientists, engineers and other professionals to Maine. They can live in neighboring New Hampshire, which takes no income tax from their paychecks. Even worse, there is no guarantee the extra revenue from this tax will go to fund education, as proponents promised.

As successful people leave Maine, state and municipal government will lose the significant amount they pay in property, sales and incomes taxes. This will put even more upward pressure on local property taxes. Municipalities will have to get more creative to provide local services without increasing property taxes. Reforming the tree growth program, collecting property taxes on land in conservation or preservation programs, charging a payment in lieu of taxes on state land that is taken off the property tax rolls and having non-profit organizations pay a two-percent tax on their net revenues are all ways for municipalities to increase revenues.

Such bold measures would take strong leadership and commitment from local officials and residents. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.
